

DBS Guidelines for Reporting and Removing Content

Database Services, Inc. (DBS) does not accept user-generated content on its website. However, if any content on our website is found to be inaccurate or offensive, users may contact DBS at 1-800-842-4778 or via email at support@dbsinfo.com.

DBS may, at its sole discretion, review and evaluate reported content on a case-by-case basis. The following include the circumstances in which we will consider removing content:

- **Inappropriate Content:** Content includes offensive language, in particular, language that contains racism/bigotry/hate speech.
- **Personal Information:** Content references specific personal information – e.g. email address, birthdate, etc.
- **Criticism of Individuals:** Content negatively references an individual by name or other identifiable information.
- **Threats of Harm:** Content references specific threat of harm to self or others.
- **Gibberish:** Content is clearly gibberish or unintelligible (e.g. random letters).
- **Clear Inaccuracy:** Content is clearly inaccurate.
